The 9 ft Aluminum Market Umbrella, with its vented canopy, will allow hot air to exit, and minimize the umbrella shifting in the wind. The dual-action crank first opens and then, with continued cranking, adjusts the canopy; until its angle falls exactly where you like it for optimum shade coverage. With premium-quality construction and long-lasting colorfast fabric, it will not fade like your last umbrella, and its auto-tilt feature defeats wobble.

- Colorful Fabric is rated UV colorfast to 1000 light hours
- Each all-aluminum Umbrella frame includes ribbing and 1.5" diam. pole in a matte black finished
- 9 ft. overall diameter, 7.9 ft. high
